OBJECTIVE

An award-winning technology reporter with nearly a decade of journalism experience working for online and print media outlets. A capable writer who can file articles daily on an initial topic as well as enterprise-length pieces on the subject in the days that follow. Able to tell stories across multimedia formats including audio and video forms of storytelling.

JOURNALISM EXPERIENCE

Chief Reporter; Pittsburgh Inno; Pittsburgh, Pennsylvania; Aug. 2021 — Present

- Launched and serves as main writer for tech-focused Pittsburgh Business Times sister publication
- Authors twice-weekly newsletter with 51% open rate and 16% readership growth month-to-month
- Reports on daily stories for business-minded audiences with clear explanations of novel ideas
- Attends weekly events to continuously develop diverse list of sources that often lead to scoops
- Works with other colleagues to provide context to other articles by offering insights when needed
- Serves as authoritative voice chronicling Pittsburgh's burgeoning tech scene

Reporter; Pittsburgh Business Times; Pittsburgh, Pennsylvania; July 2021 — Present

- Covers business of technology, transportation and higher education in Pittsburgh
- Writes original short-form news articles daily and enterprise features weekly for online and print
- Collaborates with other reporters and editors to maximize impact and scope of news reported
- Sources stories from diverse and often underrepresented populations
- Files written reporting adhering to AP Style and on deadline

Digital Producer; Pittsburgh Business Times; Pittsburgh, Pennsylvania; March 2020 — July 2021

- Maintained publication's online homepage, special sections and social media accounts
- Voiced stories for live radio audience on occasion as part of partnership with local broadcaster
- Developed and executed SEO content strategy across platforms and products to grow audience
- Crafted prompt and compelling digital stories or products daily to drive engagement

Staff Contributor; The Tico Times; San Jose, Costa Rica; Sept. 2019 — Dec. 2019

- Edited and co-hosted weekly video news show for publication's various social media accounts
- Traveled throughout Costa Rica to report on regional news events
- Offered input on publication content strategy and story ideas daily
- Turned in clean and factual copy adhering to AP style guidelines
- Interviewed some sources using basic Spanish conversational questions and vocabulary

Editorial Intern; Pittsburgh Business Times; Pittsburgh, Pennsylvania; June 2019 — Sept. 2019

- Pitched story ideas during daily staff meetings of editors and reporters for same-day turnaround
- Cultivated sources with Pittsburgh's business leaders and executives for exclusive reporting
- Updated out-of-date stock photography database with new images used by all colleagues
- Produced enterprise reporting pieces with original photographs and videos
- Assisted with editorial coverage of publication-sponsored events

Editor-in-Chief; The New Political; Athens, Ohio; May 2018 — May 2019

- Led staff of more than 30 peers at online student-run news publication
- Shaped direction of publication with others during weekly executive staff meetings
- Increased annual web traffic by 34% and lowered bounce rate by 10% with better-focused coverage
- Turned multi-year deficit into a surplus with new advertising sources from local businesses
- Recognized by journalism school faculty with award for outstanding leadership of student publication

News Editor; The New Political; Athens, Ohio; Dec. 2017 — May 2018

- Managed a news staff of 15 writers, photographers and designers
- Assigned articles, read copy and posted content onto publication's website
- Worked with new writers to teach them AP Style as well as publication standards and ethics

Senior Multimedia Producer; The New Political; Athens, Ohio; May 2016 — Dec. 2017

- Hosted weekly podcast series with diverse guests to discuss convergence of politics and technology
- Created multimedia content to pair with stories regularly including videos and infographics
- Trained staff on how to incorporate multimedia into their day-to-day coverage

News Reporter; WOUB Public Media; Athens, Ohio; Aug. 2015 — May 2016

- Recorded audio interviews for weekly radio shows and podcasts
 - Suggested topics and guest options for radio broadcasts
